1. Roofing Awards are now into their 9th year, originally known as the NFRC Roofing Awards, before changing to Roofing Awards in 2010.
2. Brings together Trade Associations and organisations who strive to promote and endorse excellence.
3. This year the Awards are comprised of 11 categories, with 44 finalists.
4. NFRC is the UK's largest roofing trade association representing over 70% of the roofing industry by value. NFRC actively ensures that members offer high standards of workmanship and sound business practice through a strict code of practice and vetting procedure, including site inspections and adhering to the Government endorsed TrustMark standards. NFRC also offers training services, technical advice, and represents member interests to the wider construction industry and Government. For more information please visit www.nfrc.co.uk.
