Connect to Work – Recruitment support

Do you want access to a skilled and motivated workforce? Connect to Work provides support to help people find and stay in meaningful employment.

Connect to Work is a supported employment programme. We help employers in East Sussex access candidates who are highly motivated and ready to work.

Our employment specialists ensure the best fit for each vacancy and will support your new staff member for up to 12 months. We can also provide advice and resources to support the development of an inclusive workplace.
