

entry form

for examples of heritage roofing type

Please provide as much of the requested information as possible and complete all sections:

Roofing Type name and number:	(taken from the NFRC list of Heritage Roofing Types)
Company Name:	
Address:	
Postcode:	
Brief specification, including materials & method details:	
Name of supervisory agent or professional (to whom enquiries may be made)	
Telephone:	
Email:	

Please refer to the application guidance and ensure that you attach:

- A general picture of the contract building (high resolution pictures).
- Detailed photographs which enable the roofing materials and structural details to be identified and assessed. Photographs must show the roof under construction so that the setting out/laps of slates or tiles can be seen.

N.B. We cannot accept faxed images as proof, please instead provide high resolution JPEG or TIFF images.

Undertaking:

We, the undersigned, confirm that we successfully carried out the contract given above and that it will meet the criteria implied in the National Heritage Roofing Contractors Register and vouch for the skills of this applicant in carrying out the type of the heritage roofing work applied for and shown above.

Signed: _____
(Principal)

Signed: _____
(Roof Master / Craft Roofer)

Date: _____

Date: _____

The information provided will be held at NFRC Head Office for reference purposes only.

Please include one entry form per project and one Craft Roofer / Roof Master / Craft Roofer Operative form for each operative you are applying for.

Return completed forms and supporting documents to Lauren Omand:
NFRC, Roofing House, 31 Worship Street, London EC2A 2DY or email laurenomand@nfrco.co.uk.
