

DO YOU HAVE AN AWARD-WINNING ROOF?

3rd November 2014 – For Immediate Release

Entries are now being accepted for the UK Roofing Awards 2015. The awards recognise and reward outstanding standards of workmanship and safety among competent roofing companies. They are open to roofing companies who are members of one of the supporting trade associations, including the National Federation of Roofing Contractors. Submissions from manufacturers, architects and specifiers are also welcome.

The Awards are comprised of 13 categories covering all the major roofing disciplines from single ply to heritage. Over the years the judges have faced the tough challenge of selecting the winners from some outstanding projects from private dwellings to castles and the 2014 Awards featured the Heathrow Terminal 2a to a jetty in the middle of the Thames.

If you have a roofing project that has been completed, or set to be between 1st December 2013 and 31st December 2014, download and complete an entry form today; recognised for your outstanding work and secure a competitive edge over your peers. The awards are free to enter and you are not limited to one submission.

For more information regarding the awards and to download the entry forms go to www.nfrc.co.uk.

Note to Editor:

- UK Roofing Awards are organised by NFRC, they are the highlight of the roofing industry calendar and serve to recognise and reward outstanding standards of workmanship and technical excellence across the roofing industry.
- Brings together a variety of host associations from across the sector in a spirit of unity to present the very best of the roofing industry.
- Regardless of the shape, size, budget or location of the project, everyone's participation is welcome and multiple entries may be submitted. Architects, specifiers and builders are also eligible to enter providing they are working with members of the of the supporting trade associations.
- In 2015 the UK Roofing Awards will have been running for 10 years.
- Representing over 70% of the roofing industry by value and volume, NFRC is the largest and most influential roofing trade association in the UK and its primary aim is to promote quality contractors and quality products, ensuring that its members are at the forefront of all roofing developments. For more information please visit www.nfrc.co.uk.
