ROOFING PAVILION RETURNS TO ECOBUILD

The National Federation of Roofing Contractors (NFRC) will be returning to Ecobuild from 3rd – 5th March to host the Roofing Pavilion for the second year running. Following the success of last year, the Pavilion has increased in size and will feature more of its Supplier Members (Manufacturers, Merchants and Service Providers). It will be supported by 22 companies surrounding an NFRC networking lounge.

Attending Ecobuild has become the ideal opportunity for specifiers, main contractors and alike, to speak to the most influential UK roofing trade association and its members face-to-face in one location. Head to N5031 to find the NFRC lounge.
