

NFRC on the Road

The National Federation of Roofing Contractors (NFRC) will be exhibiting again at Interbuild, held at the NEC, Birmingham from Sunday 18th to Wednesday 21st October. Our stand this year will, for the first time, be situated in a dedicated Roofing Area with NFRC as partners. Come along and see us at: **Hall 05 – Stand D20/E29.**

If you are interested in becoming a member of the Federation, you may be interested to know that NFRC members conduct 60% by value of ALL the roofing work in the UK.

Membership benefits include:

- Automatic TrustMark registration as part of admittance
- Technical advice and guidance
- Extensive Health & Safety advice
- Regional meetings, seminars and networking events
- Independent, well respected credibility for your company
- Dispute arbitration
- Industrial relations advice
- Business advice
- Representation within Parliament and industry bodies
- Access to training courses
- Insurance policies and credit facilities for clients
- Free web listing and link to your website

If you are already a NFRC member, please come and visit our stand to find out how to get the most from your membership.

By using a NFRC registered contractor you have the comfort of guaranteed protection and quality:

- All NFRC members are independently vetted and adhere to a code of practice and the Government endorsed TrustMark scheme
- All NFRC members hold comprehensive insurance cover and insurance backed warranties are available
- Trained and reputable solar installation and heritage specialist roofers

Notes to Editor:

NFRC is the UK's largest roofing trade association representing over 60% of the roofing industry by value. NFRC actively ensures that members offer high standards of workmanship and sound business practice through a strict code of practice and vetting procedure, including site inspections and adhering to the Government endorsed TrustMark standards. NFRC also offers training services, technical advice, and represents member interests to the wider construction industry and Government. For more information please visit www.nfrc.co.uk.
