

ROOFING AWARDS FAST APPROACHING

We are only weeks away from announcing the winners of the 6th Annual Roofing Awards. This industry-specific awards ceremony recognises and rewards outstanding projects in all roofing disciplines. It also recognises the Safety in Roofing category award winners and the young roofers that participated in SkillBuild and the International Roofing competition that took place last year.

The Roofing Awards bring together all sectors of the industry as we are joined by a number of trade associations and bodies. This year we are collaborating with the Liquid Roofing and Waterproofing Association (LRWA), the Flat Roofing Alliance (FRA), the Roofing Tile Alliance (RTA), the Lead Contractors Association (LCA), The Green Roof Centre and Groundwork Sheffield and the Single Ply Roofing Association (SPRA).

The awards luncheon takes place on Friday 20th May at the Hilton Metropole in (sunny) Brighton and will be hosted by former GMTV newsreader Penny Smith alongside the NFRC Chief Executive, Ray Horwood. Now having sold out, over 500 people will be in attendance to find out/learn/discover the winners of the awards.

Notes to Editor:

- The Roofing Awards, formerly the NFRC Roofing Awards, are designed to recognise and reward outstanding performance amongst competent roofing companies and manufacturers.
- NFRC is the UK's largest roofing trade association representing over 60% of the roofing industry by value. NFRC actively ensures that members offer high standards of workmanship and sound business practice through a strict code of practice and vetting procedure, including site inspections and adhering to the Government endorsed TrustMark standards. NFRC also offers training services, technical advice, and represents member interests to the wider construction industry and Government. For more information please visit www.nfrc.co.uk.
